

TODAY'S NUMBER

TODAY'S NUMBER Today's Date: _____

Write today's date as a 5 or 6 digit number in each form below.
Standard Form: _____

Circle One: Odd or Even Word Form _____

Can you show array? If so, i is prime. Array: _____

Circle One: f

TODAY'S NUMBER Today's Date: _____

Write today's date as a 5 or 6 digit number in each form below.
Standard Form: _____

Write the standard form above rounded to the nearest...

Circle One: _____

Circle One: _____

Factors: _____

Today's N: _____

_____ x K

_____ x K

_____ x l

_____ x 2

_____ x 2

_____ x 2

Circle One: Odd

Circle One: Prin

Factors: _____

Today's Number fraction of 100 d _____

Simplify? _____

Decimal: _____

TODAY'S NUMBER Place the fractional number for today on the number line. Be sure to identify benchmark numbers that would help you place the fraction accurately.

TODAY'S NUMBER Place the fractional number for today on the number line. Be sure to identify benchmark numbers that would help you place the fraction accurately.

Circle One: Odd or Even

Circle One: Prime or Composite

Factors: _____

Today's Number written as a fraction of 100 days of school _____

Simplify? _____

Decimal: _____

Place the decimal number for today on the number line. Be sure to identify benchmark numbers that would help you place the fraction accurately.

If today's number was the measure of...

...feet, how many inches would it equal?

...meters, how many centimeters would it equal?

...gallons, how many cups would it equal?

...pounds, how many ounces would it equal?

...an angle, what type of angle would it be?
